Appointment of Corporation Engineer

le No of 195 | General and Revenue Secretariat

Rs 500-25-750 Besides, as a Fixed Board Engineer he is allowed a Duty Allowance of Rs 200 and a Conveyance Allowance of Rs 133-5-0, and these allowances he enjoys only so long as he continues to be a Fixed Board Engineer

4 The Bangalore city Corporation is allowed to have a Superintending Engineer of the grade pay of Rs 750 50 1000/- Plus a conveyance Allowance of Rs 125 per month. According to the Resolution dated 30 7 1951 of the Corporation, Sri Madhavan is selected to be the Engineer for the Corporation for a period not less than three years and he is proposed to be given a pay of Rs 950 in that grade According to M.S.R he can be allowed only a pay of Rs 750 which is the minimum of the higher grade and

7310/M1 Appointment of Corporation Engineer

he can not be allowed the higher scale of Rs 910. Besides, no special reasons are assigned for such a preferential treatment of Sri Madhavan. The post shall be ~~kept~~ getting a salary of Rs 933-5-0 (600 plus 200 + 133-0) in the Trust Board is no criterion for giving him such a special pay, as Rs 33 is only allowance allowed to a Trust Board engineer and not pensed to them.

5 points for order,

(1) Selection of Sri R Madhavan as the engineer in engineer for not less than 3 years, on a pay of Rs 750-50-1000

(2) Granting him a higher start of Rs 950 plus C.A 125 per month in that scale

6 Financial concurrence is necessary.

7 This is a council matter

8 Under Section 84 (1) of the Corporation Act, the Corporation shall appoint an Engineer who will work under the Commissioner The appointment is subject to the confirmation by the Government The salary attached to the appointment shall be fixed by the Corporation subject to the sanction of Government

9 The Corporation have resolved to take Sri R Madhavan

Engineer Officer of the Trust Board to the Corporation in place of Sri Dhanarajan out of a panel of four names sent to them by the Chief Engineer They have also resolved to give him an initial pay of Rs 950/- per mensem in the grade Rs 750-50-1000 plus Rs 125 C A ~ Since this pay is more than Rs 600/- he will not get Dearness allowance

Sri R Madhavan is now drawing in the Trust Board Rs 600/- It is ascertained that his next increment falls due in October On 1st October he will be drawing Rs 600/- plus the following allowances -

Rs 200 Duty allowance + Rs 133/5/4 conveyance allowance + Rs 50/- Dearness allowance or Rs 1,008/5/4 in all At present he is drawing Rs 983/5/4. This enhancement of salary i e , Rs 91/10/8 immediately and Rs 66-10-8 after October is permissible having regard to the larger responsibilities and the orneous nature of the duties required to be performed by the officer in the Corporation The appointment will be without prejudice to the seniority of others The resolution of the Corporation may be approved with financial concurrence This becomes a Council case

15) Sri Madhavan is a permanent Executive Engineer whose substantive pay is only Rs 600/- One of the principles of financial propriety is that an officer on foreign service or holding a post outside the Cadre should not be paid a salary which is out of all proportion compared to his substantive pay Hence the pay of Sri Madhavan in the Corporation must have a bearing ~~with~~ on his substantive pay Besides, the pay he is to get cannot also be on the basis of the several kinds of allowances he is drawing in the Trust Board Taking all these into consideration, he may at best be given the minimum pay of the post Viz , Rs 750/- in grade Rs 750-50-1000 This itself would be a special consideration shown to him in preference to his seniors in the Department

Dear Sir,

Ref Lending the services of Sri R Madhavan, B E , the present Engineer of the Trust Board, Bangalore as the Corporation Engineer

The Bangalore Corporation at its meeting held on 30-7-1951 approved of the appointment of Sri R Madhavan, as the Corporation Engineer on a monthly salary of Rs 950 plus Rs 125/- C A The resolution of the Corporation was communicated to the Government in this office letter No B2/7/51-52 dated 1-8-1951

In this connection I wish to draw the attention of the Government that the Corporation have selected the Officer referred to above for the post after getting the panel of names from the Government and questions were asked by the Councillors about this inordinate delay in posting the Engineer though it is past one month since the Government was requested in this behalf After the advent of the Corporation, we framed our own Budget and the posting of the Engineer is too keenly felt as the progress of the work could be gauged only under the supervision and immediate attention of the said officer

31/8/51

May I therefore request you kindly to expedite the question of the posting of the Engineer to the Corporation under the circumstances and thus facilitate the Corporation for utilising the Budget allotment of the Engineering works in time for the current year

Respected Sir,

Being given to understand that a panels of 3 names is being suggested by the Corporation of Bangalore for the appointment of an Executive Engineer, I take this opportunity of recommending to you the name of Sri Krishnaswamy who has ever served the Municipality & was working in the water Supply Department. If you will kindly allow me to say so, I have not come across such an active Executive Engineer during my tenure of nearly 18 years' Councillorship. He is jovial, painstaking, clean-handed and honest in his dealings. He has

done excellent work in the Bangalore Municipality within the short term of his office. Young and energetic as he is, he can manage the office of the Corporation of Bangalore with much skill and tact. I am of opinion that he is a good penman too. He has got the requisite qualities of solving the Corporation problems successfully. Under these circumstances, I beg of you kindly to appoint the said Sree Krishnaswamy as the Bangalore ~~Ex~~ Corporation Executive Engineer which could satisfy the whole of Bangalore.

Thanking you in anticipation,

Yours Very Sincerly

B L Byrana

Commissioner

General and Revenue Secretariat,

No 3675-3684/C.B 84-50-1 Dated, Bangalore, 27th May 1950

OFFICIAL MEMORANDUM

Under the existing rules, all questions relating to appointment, deputation, retirement, discipline, posting and transfer of Gazetted Officers on a pay of Rs.500/- and above and of all Officers belonging to the Mysore Civil Service are to be dealt with in the Confidential Branch of the General and Revenue Secretariat

Of late, there have been a number of deviations from this rule and orders have been issued sanctioning allowances, arrangements for posting, etc , in respect of officers belonging to the Mysore Civil Services without reference to the Confidential Branch This is incorrect and should be avoided.

The rule referred to above has no doubt been considerably modified in practice, more particularly with regard to the questions of officers belonging to technical departments like Public Works, Electrical, etc while this may be justified to some extent and while it may also be necessary for the Administrative Branch concerned to examine certain aspects of a question relating to an officer belonging to the Mysore Civil Service, prior consultation with the Chief Secretary before orders are sought, is quite necessary and deviations in this behalf will be seriously noticed in future

Secretaries to Government are requested to see that the rules are strictly adhered to, and that the existing practice in regard to consultation with the Confidential Branch is invariably followed
